## **Corrigendum**

Original citation: *J Clin Invest.* 2024;134(4):e170490. <https://doi.org/10.1172/JCI170490> Citation for this corrigendum: *J Clin Invest.* 2024;134(8):e181374. <https://doi.org/10.1172/JCI181374> The authors recently became aware that in Figure 7F, an incorrect image was shown for  $\alpha$ -SMA staining of the KN046-treated sample. The correct image, provided from the original source data, is shown below. The correction does not change the quantification that appears in Figure 1G. The HTML and PDF files have been updated with the correct information. The authors regret the error.

Citation for this corrigendum: *J Clin Invest.* 2024;134(8):e181374. <https://doi.org/10.1172/JCI181374>.

The authors recently became aware that in Figure 7F, an incorrect image was shown for  $\alpha$ -SMA staining of the KN046-treated sample. The correct image, provided from the original source data, is shown below. The correction does not change the quantification that appears in Figure 1G. The HTML and PDF files have been updated with the correct information.

The authors regret the error.
